Celebrate 2010-2012

Is that a sigh I hear? The hustle and bustle of Christmas is past. Now you can enjoy a little R &R unless you are still grabbing up those great deals offered by all the stores. My Christmas, spent with family here & in Nashville, was perfect. I hope your holiday festivities fulfilled your wishes.

Join us in January. We will unearth our dance moves as Marsha leads us in line dancing. Yes, it will be fun and we'll laugh at my lack of coordination.

I did an internet search of our World Fellowship Recipient and found she is a very accomplished young woman. We will discuss ways we can show our support and celebrate her February birthday.

Happy New Year
